YARD OF THE MONTH

Congratulations to **Deb** and **Les Adams**
for the March YOTM of 2023!

If you love New Orleans, did you know that we have a little of New Orleans right in our own neighborhood? Just walk by 4716 Rockwood and you will see a small replica of a NOLA house right there. This house has beautiful landscaping with lots of wonderful green shrubs and soon will be flowing with colorful flowers. The rot iron railing along the second-floor porch would give you a great view of the picture-perfect yard. When you see Deb and Les Adams, congratulate them on winning the March Yard of the Month award. - Robyn Webb

Congratulations to
Doug and **Jennifer Erwing**
for the April YOTM of 2023!

It is delightful to wonder around the neighborhood and observe all the flowering plants and trees. This is definitely the time of the year for that – spring-time. So much worry about our plants dying during the recent freeze, but here they are, back again and beautiful.

You will be able to see the beautiful array of spring time flowers in front of this next YOTM winner's house. In fact, these beautiful flowers extend across the front of the next house also. I'm told that it is even more beautiful inside the bordering flowers. Sorry that they cannot be seen from the street.

When you get a chance, congratulate Doug (the gardener) and Jennifer Erwing on their beautiful yard and winning the April 2023 Yard of the Month. It's worth walking / driving past their house just to see what I'm talking about
- Robyn Webb
